

# BOCCONCINI CHEESE

Made from Greenfields Fresh Milk, Greenfields Bocconcini Cheese is rich in calcium and offers a delectable taste in every bite. The word Bocconcini means “little bites of delight”. Having great meltability, use it freely on your pizza, sprinkle some over your toast or bruschetta, or toss slices into your salad.

# RICOTTA CHEESE

Made from Greenfields fresh whey, milk and cream, Greenfields Ricotta Cheese is light and creamy with smooth texture and fresh flavor. It is used in many Italian dishes, especially lasagna and ravioli, or cheesecake. Ricotta Cheese is ideally used as a dip when mixed with herbs and spices. It has high protein content which makes it a great choice for a healthier life.
